Prof. Dr. Mikhail D. KHANEVICH
Russia

Engineer Jaroslav V. ZHARKOV
Ukraine

Dear Colleagues,
Dear Friends,

We are now pleased to inform you that, as of today, the next two versions of Bylaws of the ISC (1996) and International Association of Cryosurgery (1976) will be allocated the **official website of the ISC** [www. isc.cryosurgery.at](http://www.isc.cryosurgery.at).

Therefore, three official **Bylaws of the International Society of Cryosurgery**, including **current** (*Vienna, 2011*) and **past** (*Crete, 2005* and *Paris, 1996*), as well as one **Bylaw of the International Association of Cryosurgery** (*Torino, 1976*), which have been discussed and validated since the existence and development of the ISC from June 4th to 7th, 1972 up to now, are now at your disposal on the **official website of the ISC** (see: [www. isc.cryosurgery.at](http://www.isc.cryosurgery.at)).

On this occasion, we would like to thank all colleagues from all over the world for their warmest and kind congratulations referring to the 16th World Congress of the International Society of Cryosurgery held in Vienna, between 29th October and 2nd November, 2011 and legally elected 16th and 17th ISC Bodies by secret ballots.

Hence, on this special day in our human and scientific life, 11.11.11, we sincerely wish all of you and your families good health, luck and further professional achievement as well as fruitful scientific collaboration in the field of modern cryoscience, cryomedicine, cryosurgery and cryotechnology in line with the current democratically and legitimately elected ISC.

Finally, we wish peace for all of us and for people in our modern human society. We deeply believe that the intellect of all of us, especially of all colleagues, scientists and members connected to the International Society of Cryosurgery, will prevail in the near future in terms of creative development, both in cryosurgery and the International Society of Cryosurgery as a world institution for science and medicine.

With best regards,

Prof. Dr. Sajio SUMIDA
Honorary President of the ISC

Prof. Dr. Nikolai N. KORPAN
President of the ISC

17th ISC Bodies

Legal Election & Voting via Secret Ballots, General Assembly of the 16th World Congress of the ISC
Hofburg, Vienna, Austria, November 2nd, 2011, 11:00-12:15 CET
