Dear Members of the ISC,
Dear Colleagues,
Dear Friends,

We rejoice in the historical impartation which is going to you in a moment. The new chapter was recently opened in the whole history of the continuing outstanding development of cryosurgery, cryomedicine and cryoscience. As well there is a great historic and fortunate event in the constructive and dynamic trend of the International Society of Cryosurgery.

The Asian Society of Cryosurgery (ASC) is now established legally and democratically. On this unique occasion we are very glad to congratulate both the Honorary President of the ASC and Vice President of the International Society of Cryosurgery Professor Dr. Kecheng Xu, Jinan University School of Medicine, Fuda Cancer Hospital, Guangzhou, China and legitimate elected 1st President of the Asian Society of Cryosurgery and Councillor of the International Society of Cryosurgery Professor Dr. Yueyong Xiao, The General Hospital of Chinese People's Army, Beijing, China. Please look at the ISC web page: www.isc.cryosurgery.at, column on the main menu: [Congresses](#), submenu: [Asian Society of Cryosurgery](#).

At the same time the Affiliated Collaboration Agreement between the International Society of Cryosurgery (ISC) and the Asian Society of Cryosurgery (ASC) was ceremonial signed and witnessed (see ISC web page: www.isc.cryosurgery.at, submenu: [ASC: Affiliation with ISC](#)).

Further, the announced International Forum on Cancer Treatment (IFCT) was successfully organized and operated by Vice President of the ISC and President of the Fuda Cancer Hospital Prof. Dr. Kecheng Xu with his hard-working team on the highest modern scientific and management level. The whole meeting time in Guangzhou 2012 was perfectly staged by one of the estimated ISC Board of Governors Mrs. Esther Law Lee Poh (see: www.isc.cryosurgery.at, column on the main menu: [Congresses](#), submenu: [International Forum on Cancer Treatment](#)).

The recently published book "Modern Cryosurgery for Cancer" by Kecheng Xu, Nikolai Korpan and Lizhi Niu was ritualistic presented during Installation & Welcome Banquet of the ASC and IFCT (see: submenu: [International Forum on Cancer Treatment](#)).

Finally, the created international project "World Anticancer Movement" was also illustrated for all delegates of the ASC and IFCT (see: www.isc.cryosurgery.at, column on the main menu: [Congresses](#), submenu: [International Forum on Cancer Treatment](#)).

With best wishes to you and your families,

Presidents and Board of Governors of the ISC
