November 30th, 2012

Dear Members of the ISC,

Dear Colleagues,

Dear Friends,

One week ago, the 39th Annual Meeting of Japan Society for Low Temperature Medicine organized a joint World Conference of "Cryomedicine 2012 – current status and future" in collaboration with the International Society of Cryosurgery (ISC) and the International Institute of Refrigeration (IIR). It took place at the IINO Conference Center in Tokyo. More than 40 oral presentations and poster free sessions were inspired by scientists from the world with interesting discussions. The detailed photo session of the recent meeting is provided on the official website of the ISC: www.isc.cryosurgery.at. Please see the column on the main menu: **Congresses**, submenu: **39th Meeting of JSLTM 2012**.

Finally, we are pleased to inform you that the **Agreement "Affiliation and Collaboration in the field of modern Cryoscience, Cryomedicine & Cryosurgery"** was signed between the International Society of Cryosurgery (ISC) and the Japan Society for Low Temperature Medicine (JSLTM). Please see the official website of the ISC: www.isc.cryosurgery.at, **ISC History**, **Affiliated Collaboration**.

Wishing all the best to all of you and your families,

Presidents and Board of Governors of the ISC
