Dear Members of the International Society of Cryosurgery,  
Dear Colleagues,  
Dear Friends,

Predominantly we offer you our thanks for the support you have given and the kindness you have shown to the ISC for the past years.

At present we are delighted to notify you about the last issue of the Low Temperature Medicine, vol. 38, number 4 with the extended information about the coming 17<sup>th</sup> World Congress of the ISC held in Bali, the last paradise in the world (see: [www.isc.cryosurgery.at](http://www.isc.cryosurgery.at), main menu: 17<sup>th</sup> World Congress).

As well we are glad to invite you to attend the impending 40<sup>th</sup> Annual Meeting of the Japan Society for Low Temperature Medicine which is organized in collaboration with the International Institute of Refrigeration (IIR) and the International Society of Cryosurgery (ISC). Please see [www.isc.cryosurgery.at](http://www.isc.cryosurgery.at), main menu: CryoMeetings.

We would like to welcome you to both scientific meetings on CRYO in Nagoya, Japan on November 28-29, 2013 and Bali, Indonesia on December 11-14, 2013. In this context we hope you will enjoy your stay with each other and actively attend the renowned international scientific meetings on modern CRYO 2013.

Further, the detailed report about the scientific event named the International (Guangzhou) Forum on Cancer Treatment (IFCT) held in Guangzhou, China on May 24<sup>th</sup>-26<sup>th</sup>, 2013 is to be read, too. The Scientific Program, General Information and Photo Session are already administered and found on the [www.isc.cryosurgery.at](http://www.isc.cryosurgery.at), main menu: CryoMeetings.

Finally, we wish all of you and your families good health, success and all the best.
