July 10, 2013

Dear Members of the International Society of Cryosurgery,
Dear Colleagues,
Dear Friends,

The summer vacations 2013 are occurring on many continents of our unique planet. Currently the most members of the ISC relish the sunny days. But some colleagues of the ISC enjoy the winter coldness, for example, in Latin America.

On this occasion we wish all our colleagues and friends a restorative and congenial summer holidays, peaceful and joyful times together with the families.

Presently we are very pleased to inform you about the just held International Cryosurgery Forum at the Toho University, Tokyo, Japan, on Saturday, July 6th, 2013.

The above mentioned World Scientific event on Cryosurgery was dedicated to the Celebration of the 80th Jubilee of Dr. Sajio Sumida, one of the Pioneers of Modern Cryomedicine, currently Honorary President of the ISC.

The detailed information together with numerous photos and videos about the International Cryosurgery Forum in Tokyo can be found on the official website of the ISC: www.isc.cryosurgery.at, main menu: [Congratulations](#), submenu: [Sajio SUMIDA](#).

Additional information about the coming Congresses in the field of CRYO will be regularly sent as before.

Finally, once again we wish all of you and your families good health, success and all the best.

Kind regards,

Presidents and Board of Governors of the ISC
