July 15, 2013

Dear Colleagues,
Dear Friends,

In addition to our ISC Newsletter 24 from July 10, 2013 now we would like to reinform you, that Video Film "**Life with Ice**" dedicated to the Celebration of the 80th Jubilee of Dr. Sajio Sumida has recently developed and can be seen on the official web side of the ISC: www.isc.cryosurgery.at, main menu: **Congratulations**, submenu: **Sajio SUMIDA**.

In this context you have to click: >>>VIDEO<<<. As well the sound is already thereby.

Separately there is link which you could use maybe in special cases:

http://isc.cryosurgery.at/video/video_sumida_80.mp4

There were both technical and legitimate problems with application on the YouTube. At the beginning we have received rights only for the limited numbers of the countries. But now there is a good solution to look at the above mentioned video film world widely any time.

Finally, on this occasion we wish all of you and your families to have an unforgettable Summer 2013!

Also, hurry up!

With best regards

from the summer vacation 2013, Peloponnese, Greece,

Nikolai N. Korpan
